## The Internet Society

- Founded in 1992 by Internet Pioneers
- The mission of the Internet Society is to promote the open development, evolution, and use of the Internet for the benefit of all people throughout the world.

The Internet is for everyone...  
*and the Internet Society is for everyone who cares  
about the Internet!*

the Internet is for everyone

**Internet Society Chapters around the world**

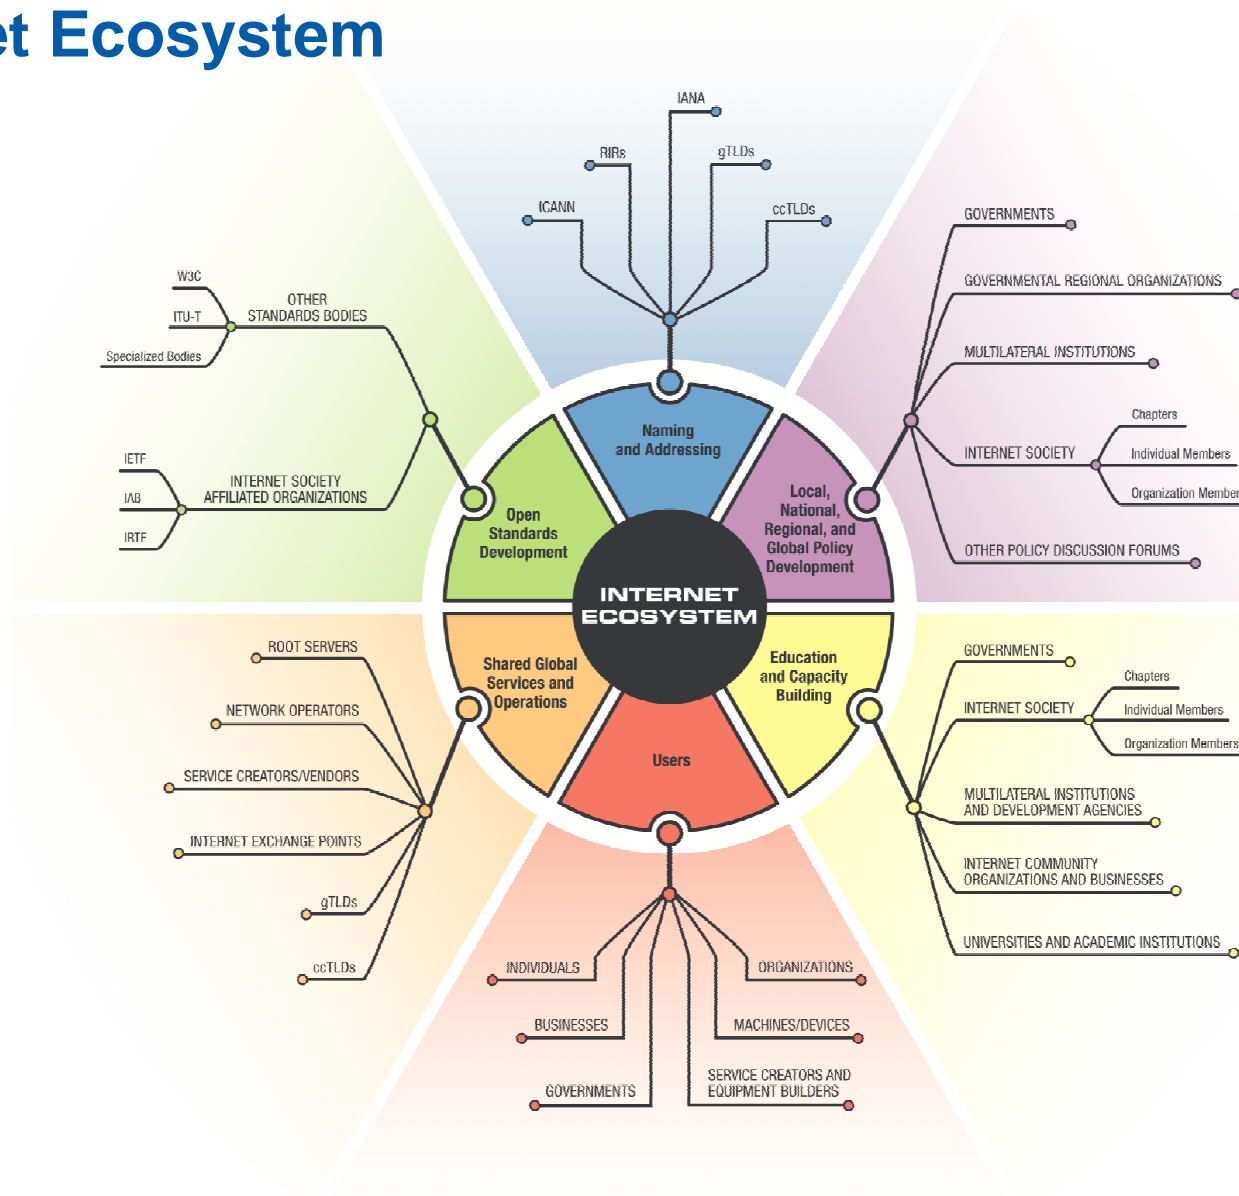

## Internet Model

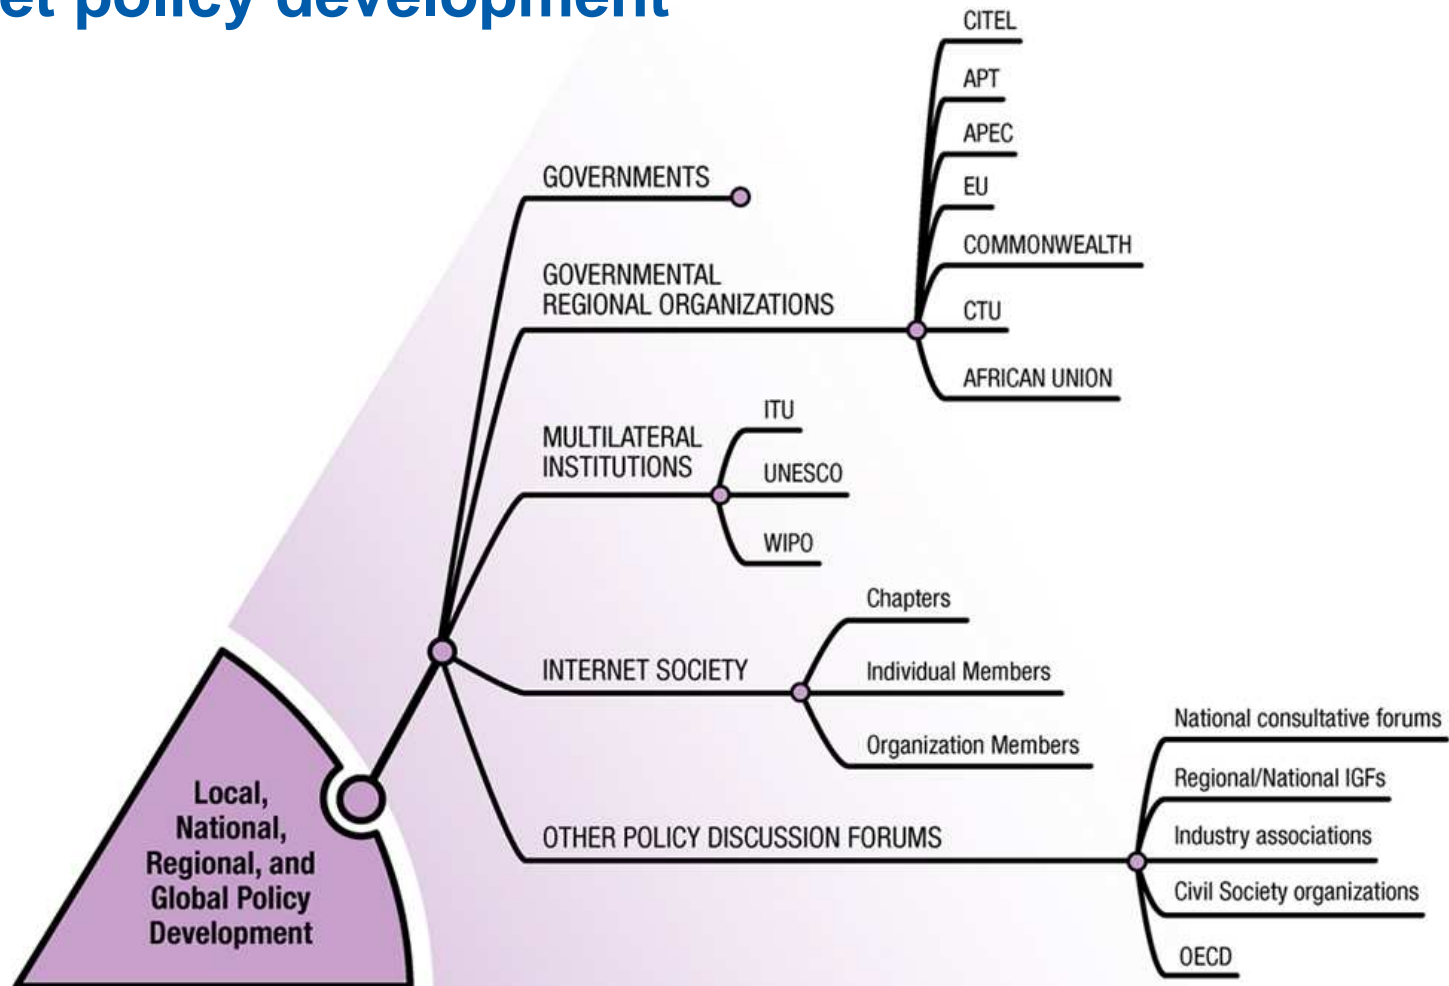

... describes the common set of operating values — such as **open standards**, **freely accessible processes**, **transparent governance** — shared among many of the key communities and organisations that have been central to the development and ongoing evolution of the Internet.

the Internet is for everyone

# Internet Ecosystem

## Internet policy development

the Internet is for everyone
