APNIC 54 Policy Proposal Outcomes

An Open Policy Meeting at the APNIC 54 conference considered the following proposals.

Reached consensus

The following proposals reached consensus at both the Open Policy Meeting (OPM) and later at the APNIC Member Meeting (AMM). The APNIC Secretariat will implement these policies within three to six months from the time of APNIC Executive Council (EC) endorsement.

- prop-145: Single Source for Definitions

- prop-146: Aligning the Contrast

Did not reach consensus

These proposals did not reach consensus. Speakers for and against the proposal could not come to an agreement. The Chair advised if the authors wished to continue with the proposal, to consider all the comments provided, and amend the proposal for early resubmission to the Policy SIG mailing list to allow more time for discussion.

- prop-147: Historical Resources Management

- prop-148: Leasing of Resources is not Acceptable
