Mr. Zhuang Rongwen  
Minister  
Cyberspace Administration of China  
Chair of World Internet Conference

Dear Mr. Zhuang,

Thank you for your kind invitation to the 2025 World Internet Conference (WIC) Wuzhen Summit. On behalf of Asia Pacific Network Information Centre (APNIC), I am pleased to confirm my acceptance and participation in this important event.

The theme of this year's Summit – “Forging an Open, Cooperative, Secure and Inclusive Digital Future – Building a Community with a Shared Future in Cyberspace” – resonates deeply with APNIC's mission to support Internet development and stability across the Asia Pacific region. APNIC is an early supporter of WIC Wuzhen Summit and a member of the High-Level Advisory Council (HAC).

APNIC also values its long-standing relationship with the China Network Information Centre (CNNIC), our National Internet Registry (NIR) in China. Through the allocation and management of Internet Protocol (IP) addresses and support for Internet infrastructure development, APNIC has supported the rapid growth of China's Internet over the past decades. We deeply appreciate the active participation of the Chinese Internet community in APNIC's activities, including stakeholders from academia such as CERNET, research institutions like CAICT, and the private sector. China's commitment to the future of the Internet is evident in its national strategies for IPv6 adoption. We appreciate China's ambitious targets for 2025 – targeting 850 million active IPv6 users and widespread deployment across networks. This large-scale deployment of IPv6 is a critical step toward ensuring the future growth and sustainability of the global Internet.

I am confident that the Summit will provide a valuable platform for advancing international digital cooperation and fostering a more inclusive and resilient Internet. This will be my first time attending the Summit.

My colleague Ms. Joyce Chen ([joyce@apnic.net](mailto:joyce@apnic.net)) will be working with your good office regarding the participation arrangements. I appreciate the efforts of the organizing committee and look forward to contributing to the success of the Summit.

Yours sincerely,
