

Global RIR Statistics

Nurani Nimpuno
Registration Services Manager
RIPE NCC

<http://www.ripe.net/ripe/meetings/archive/ripe-39/presentations/>

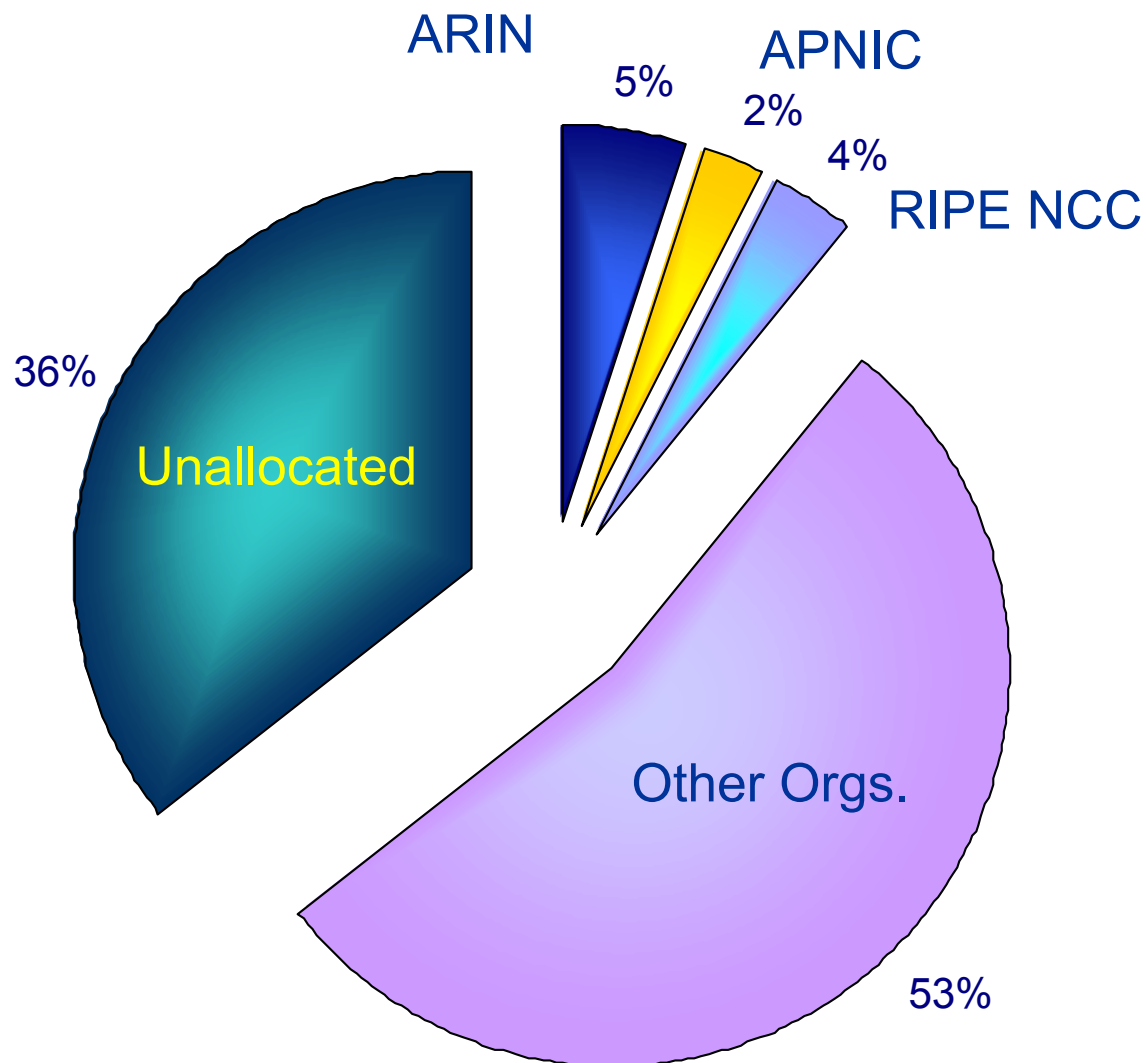

Background & Goal

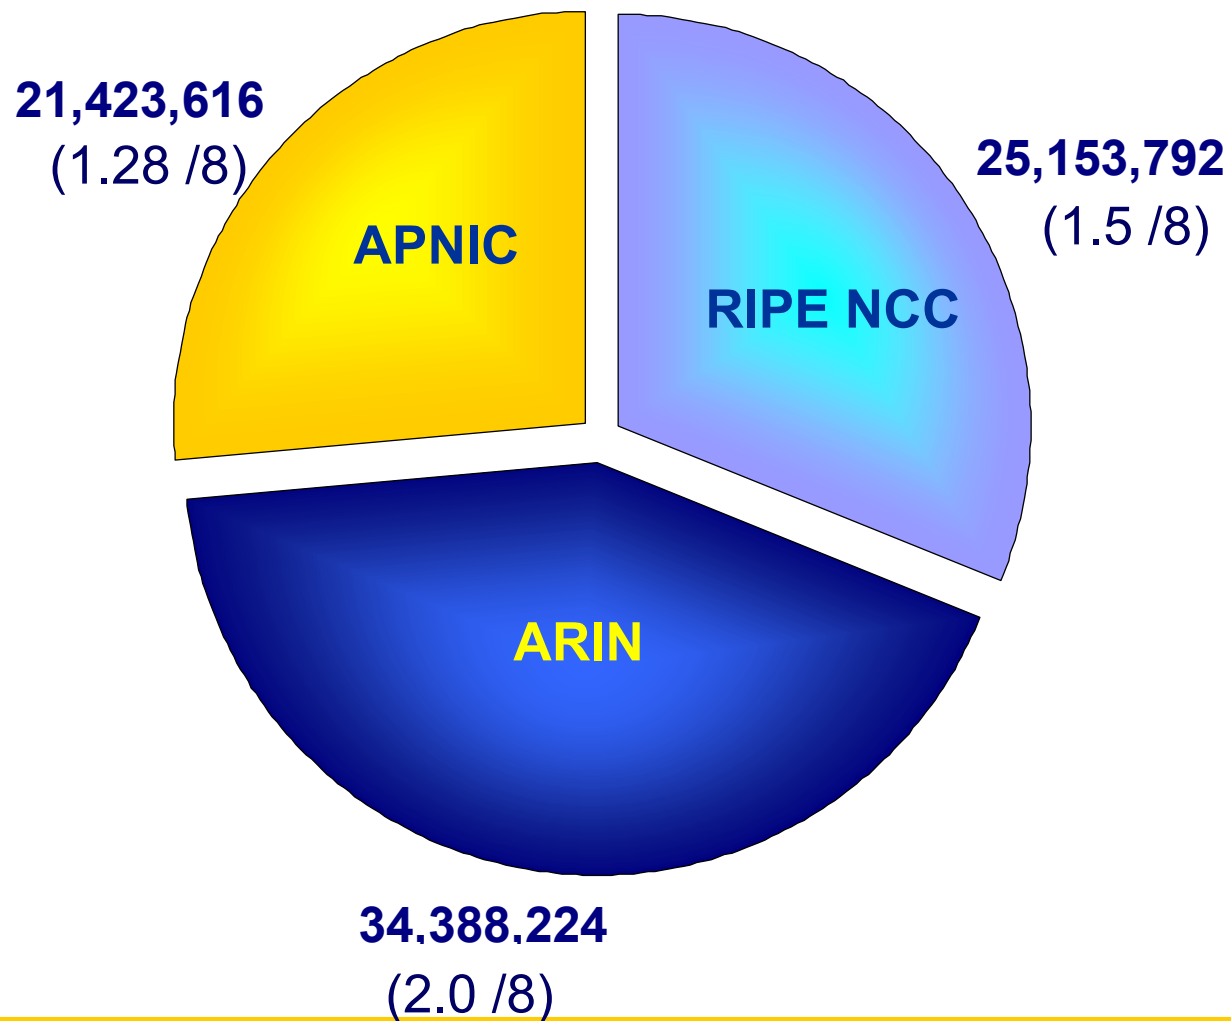

- General community interest in IP and AS number statistics
 - Concern about exhaustion
 - Recent statistical presentations on routing table growth
- Each RIR to provide registration data
 - Uniform format
 - Freely available
- Common presentation with global, cumulative and comparable data
